MUDHAWK 6

WIRELESS ENGINE SHUT OFF AND TETHER KILL SWITCH
The Mudhawk 6 comes with a unique Wireless Engine Shut Off key fob, giving the supervising adult and extra level of control. A simple push of the shut off button will turn the engine off.

LED RUNNING LIGHTS
Style and safety go hand in hand on the Mudhawk 6. Cool LED front running lights help keep the Mudhawk 6 visible when your young rider is adventuring around your property. The rear brake lights are also high visibility LEDs.

WHEELS
The Mudhawk 6 has 7-inch wheels that deliver excellent traction and performance across a wide variety of terrain, while also enhancing ride quality.

GREASE ZERKS
Proper maintenance isn't just for adult-sized unites. The Mudhawk 6 has grease zerks in key high wear areas. Easy access points let you teach your young rider to do his or her own maintenance right from the beginning.

GEAR INDICATOR
The Mudhawk 6 has an easy-to-shift transmission for forward, neutral and reverse. It uses a no-hassle fully automatic drive for simplicity. The shift lever is conveniently located on the left side of the unit. An illuminated gear indicator on the handlebars shows what gear its in.
